HOW TO FIND US: BY CAR

METROPLAN HOLDING GMBH
Ludwig-Erhard-Straße 18, 20459 Hamburg

Navigation to the multi-storey car park:
Please enter the following address into your navigation system: "20459 Hamburg, Erste Brunnenstraße 1".

Autobahn A1:
If coming from the Autobahn (motorway) A1 heading towards Hamburg, Cuxhaven: at the motorway interchange Hamburg Süd, keep to the left and continue on the A255. Follow the signs for Hamburg-Zentrum (centre) /Hamburg-Veddel/ Hamburg-Georgswerder, always keeping on the B4. Continue on the Veddeler Brückenstraße/B4, keeping to the left, and then continue on the Amsinckstraße/B4. Continue on the Willy-Brandt-Straße which then leads onto the Ludwig-Erhard-Straße. Our office is on the right hand side, opposite the Hamburg Michel (St. Michaelis church).

Autobahn A7:
If coming from the Autobahn (motorway) A7 heading towards Hamburg: take the Hamburg Bahrenfeld exit onto the B441 heading towards the "Zentrum" (centre). The B441 leads onto the B4 and thenonto the Ludwig-Erhard-Straße. Our office is on the left hand side, opposite the Hamburg Michel (St. Michaelis church).

Autobahn A24:
If coming from the A24 heading towards Hamburg: at the Horner roundabout take the "Zentrum" (centre) exit into the Sievekingsallee which eventually leads onto the Bürgerweide. At the end of the Bürgerweide turn off to the left onto the B75. Continue for 500 m (under a bridge) and then turn right into the Spaldingsstraße (attention: make sure you get into the right lane in good time!). The Spaldingstraße leads onto the B4 which then continues onto the Ludwig-Erhard-Straße. Our office is on the right hand side, opposite the Hamburg Michel (St. Michaelis church).

Parking
Customer parking is available in the underground garage at "Erste Brunnenstraße 1".

Please call us in advance before you arrive (040 20 00 07-01) so that we can provide you with the entrance code. By the parking spaces in the underground garage, take the exit for the lift and take this to the 2. floor where you will find our visitor entrance.
